

# ***+DentalBenefit***<sup>®</sup>

A modern benefit with real value

+ *Dental*<sup>®</sup>  
*Benefit*

## Why a benefit?

- Over 50% of employees choose their employer based on health benefits
- A benefit = a strong competitive advantage on the labor market

# What is DentalBenefit<sup>®</sup>?

- The first employee benefit program in the Czech Republic focused on dental care
- Employees receive treatment at a nationwide network of partner dental clinics
- A benefit with real health value – not just “extra cash”

# *+DentalBenefit<sup>®</sup>*

## How does it work?

1

The company sets  
the level of  
contribution for  
dental care

2

Employees receive  
**DentalBenefit<sup>®</sup>**  
vouchers

3

The employee  
chooses  
from a network  
of partner clinics

## **+DentalBenefit<sup>®</sup>**

### How does it work?

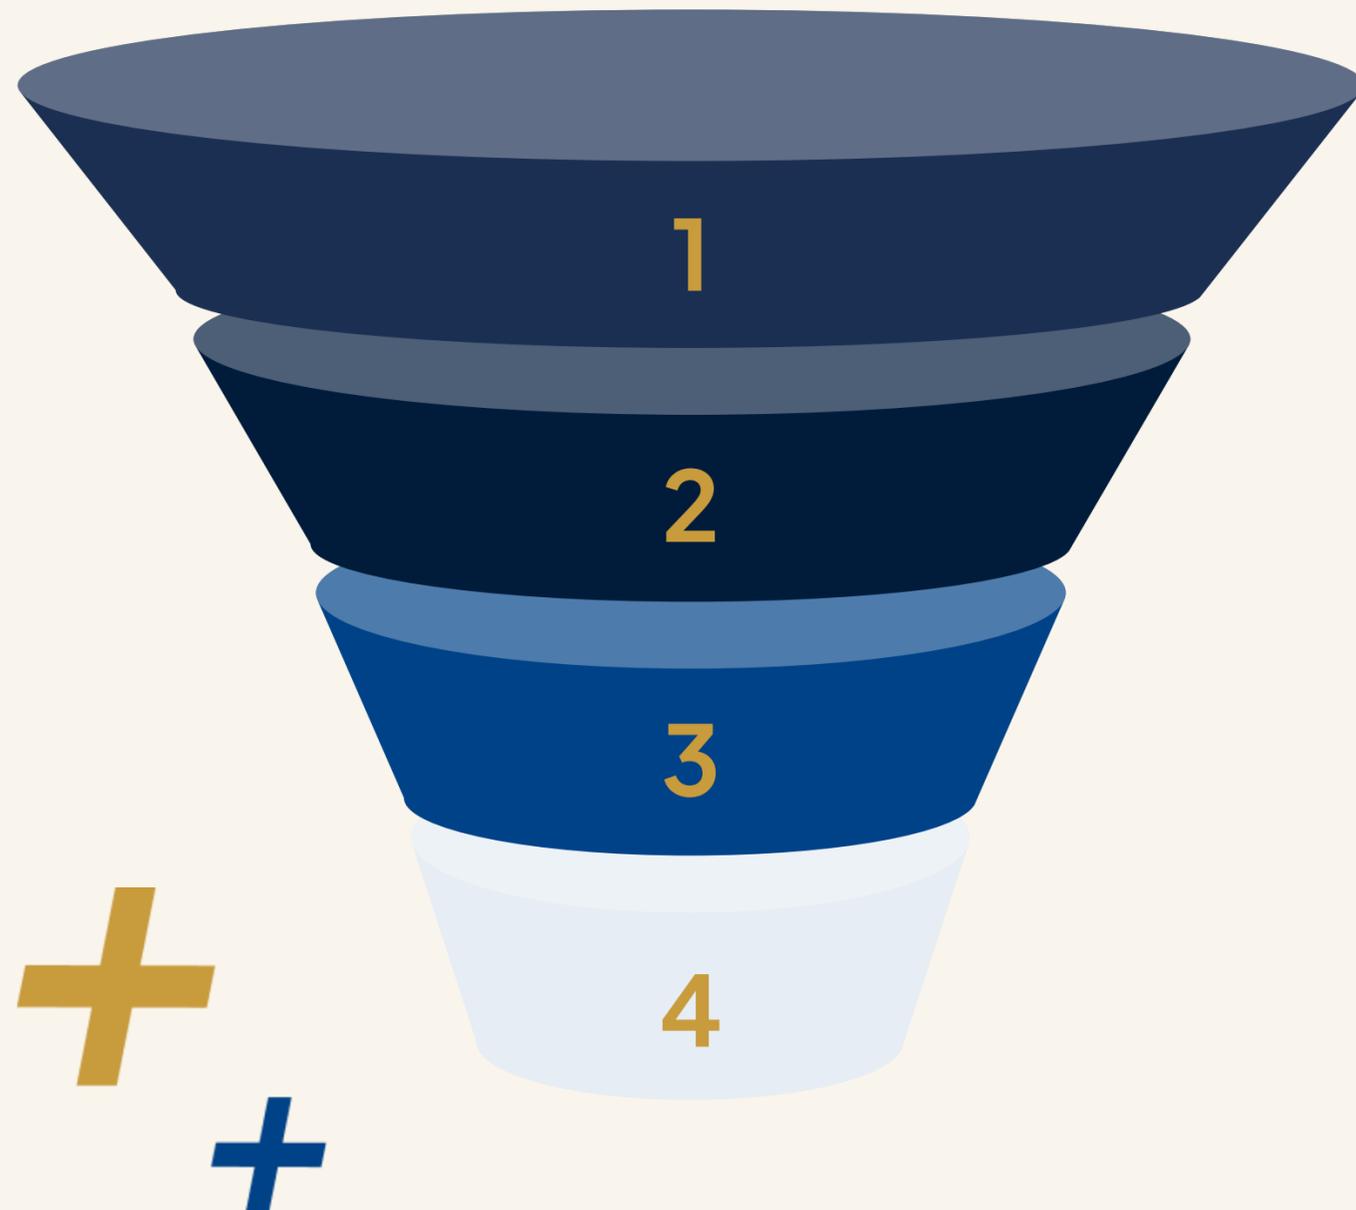

4

The clinic accepts  
the voucher  
— no further action  
required from your  
side

5

You receive  
regular reports  
on voucher usage

# Benefits for Employers

1. Minimal administration – we take care of everything
2. A tax-efficient benefit
3. Higher employee loyalty and motivation
4. Stronger employer branding and a modern company image

# Benefits of Cooperation

## Tax advantages

Contributions are exempt from income tax, social security and health insurance.

## Savings on contributions

A company with 20 employees can save up to **CZK 12,800** on statutory contribution with the same total contribution amount.

## Employee Value

Access to high-quality dental care. Option to use for close family members. Includes dental hygiene, whitening, and other procedures.
